

## **Quest Invocation Guidelines**

Thank you for your willingness to give a Quest Club invocation and, thus, open our meeting with a call for support and wisdom through some insightful or inspirational words, a prayer, and/or blessing.

In order to leave sufficient time for the call to order, paper, and questions and answers, please keep your invocation to no more than 2 to 3 minutes in length.

There is no need to refer to the topic of the day; however, if you do, be careful to not infringe on the paper by using something the presenter may be using. Also, please keep in mind that our club is made up of individuals from several faith and denominational traditions.

We are looking forward to having you edify our thoughts with yours, so thank you in advance for your invocation.
